Century of Tradition and Quality

KRAS is the largest and most reputable manufacturer of confectionery products in Southeast Europe. Founded in 1911 in Zagreb - the capital of Croatia - KRAS has built up its tradition based on the high quality of its fine chocolates, candies, biscuits and wafers.

More than 100 years of the Company's development have been crowned with modern, high technology production of three basic groups of products: cocoa products (chocolate, desserts), biscuits and wafers and candy products. Many years of Investments in know-how and development of production, as well as continuous monitoring of consumers' needs and global trends in confectionery production, have made KRAS an internationally known manufacturer of confectionery. This has been proved by numerous international quality awards and acknowledgements.

KRAS was the first Croatian confectioner to be awarded the ISO 9001 certificate, confirming its high manufacturing standards. The company also affirmed its commitment to its customers by introducing an international quality system in accordance with ISO 9001:2000 standard. A product quality management system in accordance with the ISO 9001 standard provides assurance that food safety standards are maintained via HACCP systems.

When manufacturing finished products, KRAS uses raw materials that are not genetically modified. Therefore they can be given to your children with full confidence.

Over the years KRAS has also enriched its assortment with Halal and Kosher certified products making its assortment suitable to a wide range of consumers.
